

University High School Parents' Association

All UHS parents and guardians are part of the Parents' Association. The purpose of the UHSPA is to:

- ♦ Facilitate parent communication, cooperation, and involvement.
- ♦ Promote a strong sense of community.
- ♦ Support the University High School's mission, programs, and activities.

By attending a meeting, joining a committee, or working at an event, you will meet fellow parents and contribute to the larger UHS community.

How do I attend a meeting?

The meetings are scheduled on our website calendar, University High School's calendar, announced through newsletters, sent out as a Remind text and posted on social media. When able, the meetings take place in the school library on the second Thursday of every month. They are now being held virtually.

How do I volunteer for a committee or an event?

Go to our website, click on the 'Get Involved' button and then click 'Volunteer.'

How can I donate to the UHS Parents' Association?

Go to our website, click on 'Get Involved' button and then click 'Donate.'

Congratulations on your child's acceptance to University High School. We look forward to seeing you next year!
