SCHOOL PROFILE 2020-2021

421 North Arcadia Avenue, Tucson, Arizona 85711

OVERVIEW

University High School (UHS) is a rigorous, diverse college preparatory school serving academically focused and intellectually gifted students by providing curriculum and social supports that educate the whole student.

Tucson's cultural, ethnic, and socioeconomic diversity is reflected in the UHS student population. Forty-five percent are students of color from African American, Hispanic, Native American and Asian backgrounds. During 2019-2020, fifty-six percent of our families qualified for the free and reduced lunch program; however, during the 2020-2021 school year, and possibly an effect of COVID-19, twenty-two percent of students qualified for free and reduced lunch.

Established in 1976, UHS is routinely recognized as a top institution on lists and rankings of the nation's best high schools. Our students' scores on standardized tests (SAT/ACT/AZMerit) and Advanced Placement (AP) exams are consistently the highest of all Arizona public schools.

ACCREDITATION

UHS is accredited through AdvancEd.

ADMISSIONS PROCESS

UHS is an academically selective high school. Admission is based on applicants' qualifying scores on the Cognitive Abilities entrance exam and their grade point average from the two semesters prior to enrollment. For the 2020-21 school year, approximately 3,037 students tested for entrance to UHS. Of those, 537 were extended offers of admission; 366 enrolled.
